- **Sales professionals**
- **Marketers**

- **Business executives**
- **Graduates**
- **Students**
- **Freelancers**
- **Professionals**
- **Individuals with strong business networks**

Your network can become your income. Your performance can become your career.

2. WHAT DOES A BUSINESS GROWTH DEVELOPER DO?

MyArigo Business Growth Developer is a business growth professional responsible for identifying businesses that can benefit from greater visibility, credibility, market access and business development opportunities. Your key responsibilities include:

- **IDENTIFY:** Find business owners, entrepreneurs, companies and organisations that can benefit from MyArigo.
- **INTRODUCE:** Present MyArigo and clearly explain the benefits of joining the ecosystem.
- **ADVISE:** Help business owners understand the available MyArigo packages and identify the option that best suits their business needs.
- **REGISTER:** Guide businesses through the registration and verification process.
- **SUPPORT:** Maintain professional relationships with registered businesses and encourage continued engagement with the MyArigo ecosystem.
- **GROW:** Continuously identify new businesses and expand your professional network.

As a Business Growth Developer, you represent MyArigo brand. All activities must therefore be conducted professionally, honestly and in accordance with MyArigo policies.

3. STRICT PAYMENT & COMPLIANCE POLICY

To protect business owners, Business Growth Developers and MyArigo, all financial transactions must follow the official MyArigo payment process.

OFFICIAL PAYMENTS ONLY

Business owners must make all registration, validation and package payments directly to the designated official MyArigo corporate bank account or through an officially approved MyArigo payment channel.

Business Growth Developers must never:

- Share personal bank account details with clients for MyArigo payments.
- Receive MyArigo registration fees into personal accounts.
- Accept cash payments on behalf of MyArigo.
- Transfer client funds through personal accounts.
- Create unofficial payment arrangements with clients.
- Misrepresent MyArigo pricing or package benefits.

ZERO-TOLERANCE POLICY

Any Business Growth Developer found collecting or facilitating MyArigo payments through an unauthorised personal account may face: Immediate suspension or termination, loss of pending commissions, internal investigation, recovery of improperly collected funds, or legal action where applicable.

COMMISSION VERIFICATION

Commissions are calculated only on successfully verified and fully paid registrations. Payments must first be confirmed by MyArigo Finance Department before the corresponding commission is approved.
