

BUSINESS GROWTH DEVELOPMENT PROGRAMME

INTRODUCTION | GUIDELINES | COMPLIANCE

1. Programme Overview

MyArigo Business Growth Development Programme is designed for goal oriented individuals who want to build successful careers while helping businesses grow. As a Business Growth Developer, your role is to introduce businesses to the MyArigo ecosystem, assist them through the registration process, and support their long-term growth.

Every successful registration contributes to the expansion of Africa's most trusted business network while creating significant income and career opportunities for you. Whether you are an entrepreneur, consultant, marketer, business executive, graduate, student, or sales professional, this programme provides a premier opportunity to earn, grow professionally, and receive national and international recognition.

2. What Does a Business Growth Developer Do?

As a Business Growth Developer, you serve as a strategic catalyst for enterprise transformation, actively identifying forward thinking business owners who want to scale their products and services, bridge local boundaries, and connect with international audiences for true global expansion.

By representing the prestigious MyArigo brand with the utmost professionalism and integrity, you introduce these visionary business leaders to the high value propositions of our specialized packages. You will guide business and brand owners seamlessly through the registration and verification processes, nurturing lasting, high impact professional relationships that empower local enterprises while actively driving the expansion of Africa's largest and most trusted business network.

CRITICAL COMPLIANCE NOTICE: STRICT PAYMENT SECURITY POLICY

To maintain complete financial integrity, protect our clients, and safeguard developers, **Business Growth Developers are strictly prohibited from sharing personal bank account numbers or accepting direct payments from business owners for any package registrations.**

- **Official Payments Only:** All payments for registration, validation, and package fees must be made directly by the business owner to the designated official corporate bank account of MyArigo.
- **Zero Tolerance Policy:** Sharing personal bank details, accepting cash, or facilitating client registration funds through personal accounts is a severe breach of compliance. Violators will face immediate termination from the programme and potential legal action.
- **Verification Requirement:** Commissions are calculated and paid only after MyArigo's finance department officially verifies that the payment was received directly into the designated corporate account.

3. Three Ways to Earn and Get Rewarded

MyArigo Business Growth Development Programme offers three powerful pathways to earn substantial income, receive performance based bonuses, and gain elite professional recognition.

Pathway A: Direct Commission

Earn an immediate commission on every successful package registration. Standard, Verified, Premium, and Elite packages pay a flat commission of 20%. Corporate Enterprise packages pay a commission of 10% of the approved package fee.

PACKAGE NAME	PACKAGE FEE (₹)	COMMISSION RATE	COMMISSION PAYOUT (₹)
Standard	₹125,000	20%	₹25,000
Verified	₹275,000	20%	₹55,000
Premium	₹550,000	20%	₹110,000
Elite	₹1,100,000	20%	₹220,000
Corporate Enterprise	₹3,000,000	10%	₹300,000

** Verification Clause: Commissions are processed and paid immediately after successful verification and full payment of the package fee into the official MyArigo corporate bank account.*

Pathway B: Monthly Achievement Bonus

Your earnings do not stop with direct commissions. Every single month, MyArigo rewards outstanding Business Growth Developers with massive cash bonuses based on the total verified revenue they generate.

MONTHLY REVENUE GENERATED (₦)	ACHIEVEMENT BONUS PAYOUT (₦)
₦5,000,000	₦250,000
₦10,000,000	₦500,000
₦25,000,000	₦1,500,000
₦50,000,000	₦3,000,000
₦100,000,000	₦7,500,000
₦250,000,000	₦20,000,000
₦500,000,000	₦50,000,000
₦1,000,000,000	₦100,000,000

** Note: Only verified and fully paid packages qualify for monthly revenue calculations. The higher the revenue you generate, the greater your monthly reward.*
